THE IONIC FOOT SPA (AQUA DETOX):

A STATE OF THE ART WAY TO HELP YOUR BODY DETOXYFY NATURALLY

Recall the way your body felt when you stood next to a waterfall, or walked along a beach, or through a deep forest. You breathed deeper into your lungs, and your mind cleared; you even felt lighter and at peace with the universe. These invigorating reactions were caused by the ionization of trillions of water molecules entering your body through your skin and lungs. The ionic foot spa creates the same environment even more powerfully!

THE IONIC FOOT SPA (AQUA DETOX): consists of an ion generator, called an array. The array is placed in the water along with the feet or hands. When you rum on the unit, the power supply delivers a small amount of direct current into the array, which in combination with water and sea salt causes the array to generate negatively charged ions. Millions of these ions enter your body and begin to neutralize tissue acid wastes within seconds after your feet are placed in the water. Other benefits of the negative ions include: alkalizing the blood and tissue, and helping to unblock your body's chi and meridian energy channels. The stream of negative ions generated by the

THE IONIC FOOT SPA (AQUA DETOX): cleanse process attracts and attach to charged toxic particles, then draws them out of the body through pores in the skin. Vibrant color changes in the water are just a partial indicator of the toxins that are leaving your body. Rashes, dark circles under the eyes, swollen joints, yellow-green and blotched complexions often indicate a buildup of tissue acid waste inside the body. Several cleanse sessions, along with dietary modifications have been shown to substantially reduce and even eliminate these conditions.

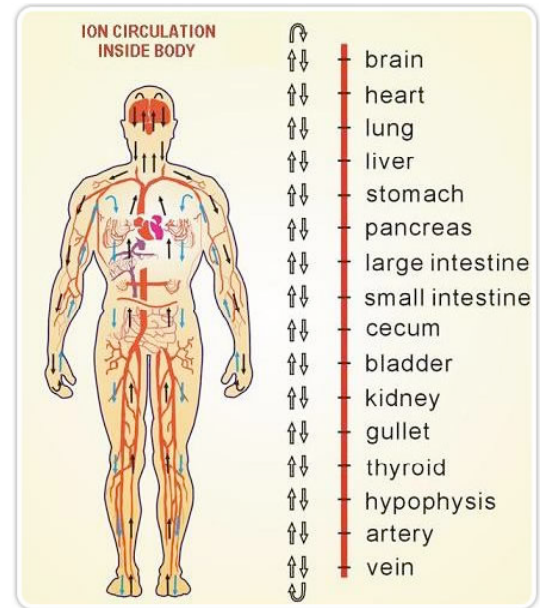

What are the benefits of THE IONIC FOOT SPA (AQUA DETOX):?

Because of the cleansing power of water, ionic spa footbath hydrotherapy sessions aids the body in its detoxification and cleansing benefits - it assist restoring body vitality against environmental toxins by eliminating the chemicals you take in from drugs, environmental pollution, and foods (particularly processed foods and meats). The benefits go on however we cannot make medical claims so we are unable to list them here, but we will list the benefits of detoxification, proper dietary modification and following the detoxification checklist below. The key is proper nutrition & an effective cleansing modality!

- * Heavy metal removal
- * Positive effect on weight loss
- * Seasonal allergy relief
- * Increased oxygen levels and energy
- * Inactivation of viruses, bacteria, yeast, and fungus

- * Faster recovery time from illness, accident, or surgery
- * Reduced inflammation and fluid retention
